*You need to email each school board member as soon as you can. SB40 went into effect March 25th. You can copy and paste what I just sent them all:*

*Dear Dr. Harwood,*

*I am emailing you today in regards to SB40 that Governor Kelly signed on March 24, 2021 and went into effect March 25, 2021. This law takes away the authority to mandate masks in school from the local health department, the Governor and the county commissioners and gives full authority to the board of education. I am emailing you to ask if the school board is using their new authority to continue mandating masks in schools when the kids come back from spring break? If the school board is continuing to mandate masks in school, I would like to request a hearing with the board of education.*

*Thank you,*

*I was informed that I needed to email the clerk of the board of education to request a hearing that by law must be conducted within 72hrs.*

Thanks,
