

Dear Fairway Citizens,

Now that summer is here, we are starting to see more auto burglaries in our city. Many of the auto burglaries we are seeing are occurring on unlocked vehicles. Some of them have been completed by breaking out windows. Below are some tips to minimize these occurrences as much as possible:

- Lock and secure your car doors.
- Remove any important items from your vehicle such as purses, backpacks, work ID cards, laptops etc.
- Park your vehicle in your driveway if you are able. A majority of the break ins are happening to vehicles parked on the street due to easy access by the suspect.
- If you have cameras on your house, make sure they are working. Please call the police department if you see any suspicious activity while reviewing your footage.

If you happen to see a suspected crime in progress call 911 immediately!

Fairway Police Department

The article below was published in the January 2022 Focus on Fairway newsletter.

Chief's Corner

Residents, please help our officers keep Fairway safe by locking your cars. One unlocked car can lead to numerous crimes, headaches, and possibly compromise the safety of your family. Please lock your cars! If you happen to see a suspected crime in progress call 911 immediately.
Thanks, Chief J.P. Thurlo
