**Case No. _____
Chapter 60**

PETITION FOR DECLARATORY JUDGMENT

Plaintiff City of Westwood, Kansas (City) seeks a declaratory judgment pursuant to K.S.A. 60-1701 as to the three counts stated herein. In support of this claim, the City alleges the following:

Parties

1. Plaintiff is a municipal corporation and city of the third class organized and existing under the laws of the state of Kansas.

2. Kris W. Kobach is the duly elected Attorney General for the State of Kansas. As an elected official of the State of Kansas, Kobach is named by and through the State of Kansas. Kobach is named in his official capacity as the Attorney General for the State of Kansas. Kobach is a necessary and indispensable party to the present action.

3. Stephen M. Howe is the duly elected District Attorney for the County of Johnson County, Kansas. As an elected official of the State of Kansas, Howe is named by and through the

State of Kansas. Howe is named in his official capacity as the District Attorney for Johnson County, Kansas. Howe is a necessary and indispensable party to the present action.

4. The District Attorney and the Attorney General are the only parties with legal standing to compel the City to comply with the provisions of K.S.A. 12-1301. *See Douglas v. City of Wichita*, 148 Kan. 619 (1938).

Allegations Common to All Counts

5. The City of Westwood (“City”) owns four parcels of land with common addresses of 5000 and 5010 Rainbow Boulevard which include Lots 1, 2 and 3, Block 1 of the Swatzell Addition, and an unplatted lot spanning the rear of these three lots to the South (“5000 Property”).

The 5000 Property is legally described as follows:

Lots 1, 2 and 3, block 1, Swatzell Addition, a subdivision in the City of Westwood, Johnson County, Kansas;

And,

All that part of the Northeast 1/4 of Section 3, Township 12, Range 25 in the City of Westwood, Johnson County, Kansas, being more particularly described as follows:

Beginning at the Southeast corner of the Northeast quarter of Section 3, Township 12, Range 25; thence West along the East-West center lines of said Section 3; 290.40 feet to the Southeast corner of Lot 4, Block 1, Swatzell Addition; thence North along the East line of Lot 4, 75 feet; thence East along the South line of a portion of Block 1, Swatzell Addition 290.50 feet to the East line of Section 3; thence South 75 feet to the point of beginning, less the East 43 feet taken for public road, all in the City of Westwood, Johnson County, Kansas,

All except any other part used or dedicated for streets, roads and public rights of way.

6. The 5000 Property was conveyed in 1969 by Warranty Deed from Fred D. and Bessie Ellis to the City of Westwood who conveyed the property by deed in fee simple absolute subject only to easements, reservations and covenants of record (“5000 Deed”).

7. The City paid \$47,500 to purchase the 5000 Rainbow property. This purchase was made from funds on hand at the City and was not financed through a bond issuance.

8. The 5000 Deed did not dedicate the 5000 Property to any particular public purpose.

9. The Swatzell Addition plat was filed with the Johnson County Register of Deeds on April 5, 1928 (“Swatzell Plat”).

10. The only restrictions on the properties included within the Swatzell Plat, Block One are stated on the Plat itself. These restrictions only purported to restrict the property for a period of twenty years. None of the restrictions restricted the use of the 5000 Property to public or park use.

11. The only dedication of public property on the Swatzell Plat is stated, “The undersigned . . . hereby dedicates the streets shown on this plat to the public use forever.”

12. The unplatted lot to the South of Lots 1-3 which currently forms part of 5000 Rainbow was excepted from the platted area.

13. The 5000 Property has never been dedicated to any public use, park or otherwise, upon any properly adopted and filed plat.

14. The 5000 Property has never been dedicated to any public use, park or otherwise, within any deed.

15. The City acquired property commonly known as 5050 Rainbow in 2014 by Corporation Warranty Deed from the Westwood Christian Church for a purchase price of \$400,000 (“5050 Deed”). The Deed conveyed the 5050 Property in fee simple absolute to the City. The 5050 Property is legally described as follows:

Lots 13 and 14, Block 1, KLASSEN PLACE, a subdivision in Johnson County, Kansas;

And,

All that part of Lot 12, Block 1, KLASSEN PLACE, a subdivision of land in Johnson County, Kansas described as follows: Beginning at the Northeast corner of said Lot 12; thence Southeasterly, along the Easterly line of said Lot 12, to the Southeast corner thereof; thence Southwesterly, along the Southerly line of said Lot 12, a distance of 16.87 feet; thence Northwesterly, to the Point of Beginning.

And,

East 286.58 feet of the North one-half of Lot Eight (8), HOLMESLAND, a subdivision in Johnson County, Kansas, the Easterly 23 feet thereof being subject to rights of the State Highway Commission under condemnation for road purposes; EXCEPT All that part of the East 286.58 feet of the North half of Lot 8, HOLMESLAND, a subdivision of land in Johnson County, Kansas, more particularly described as follows: Beginning at a point on the North line and 286.58 feet West of the Northeast corner of said Lot 8; thence South, along a line 286.58 feet West of and parallel to the East line of said Lot 8, a distance of 165.39 feet, to the South line of the North half of said Lot 8; thence East, along the South line of the North half of said Lot 8, a distance of 1.28 feet, to the Northeast corner of Lot 12, Block 1, KLASSEN PLACE, a subdivision of land in Johnson County, Kansas: thence Northeasterly, to a point on the North line and 271.28 feet West of the Northeast corner of said Lot 8; thence West, along the North line of said Lot 8, a distance of 15.30 feet, to tie Point of Beginning;

All except any other part used or dedicated for streets, roads and public rights of way.

(“5050 Property”).

16. The 5050 Deed did not dedicate the 5050 Property to any particular public purpose.

17. Neither the Klassen Place or the Holmesland Subdivision plats dedicated the 5050 Rainbow Property to any particular public purpose.

18. At no time has the City adopted any ordinance or resolution dedicating either the 5000 Property or the 5050 Property to any particular public purpose.

19. On June 8, 2023 the City entered into a contract with Karbank Holdings, LLC providing for the sale of the 5000 Property and the 5050 Property.

20. The City published the following notices in the official city newspaper, the Legal Record, on November 7 and 14, 2023,

**“CITY OF WESTWOOD, KANSAS
NOTICE**

Pursuant to K.S.A. 12-1301, notice is hereby given that the City of Westwood, Kansas, intends to sell certain property that may be considered public park property, such property commonly known and numbered as 5000 Rainbow Blvd. (Johnson County Parcel Nos. RP630000010001 and RF2512033060) and 5050 Rainbow Blvd. (Johnson County Parcel Nos. RP27000000008D and RP30000010012B). Full legal descriptions of such parcels are available at Westwood City Hall, 4700 Rainbow Blvd. The City of Westwood reserves all rights to challenge the applicability of K.S.A. 12-1301 as to such parcels.

/s/ David E. Waters, Mayor
11/7 11/14”

21. The notice referenced in the preceding paragraph provided notice of the City’s intent to sell both the 5000 Property as well as the 5050 Property.

22. On December 12, 2023 petitions were filed with the City Clerk of the City purportedly under the authority of K.S.A. 12-1301 (“Petitions” and petitioning parties referred to as “Petitioners”). Exhibit A.

23. The Petitions only protested the sale of the 5000 Rainbow Property. The Petitions did not protest or call for an election as to the proposed sale of the 5050 Property.

24. K.S.A. 12-1301 provides in pertinent part as follows,

“Land for park purposes; sales or exchanges in connection with parks; use of moneys; notice; protest; election; validation of prior sales and conveyances. Any city may acquire by purchase, or lease or may take options upon, land within or without the limits of said city to be used as a public park for the use and benefit of the people of said city. Any city may trade or exchange any public park, public square or market square which it may own, or any portion thereof, for other land to be used for similar purposes, or may sell the same. Any such sale heretofore made is hereby confirmed, legalized and declared to be a valid sale and conveyance. Before making any such trade or exchange or sale, the city shall first publish notice of such proposal in the official city paper once each week for two consecutive weeks upon the same day of the week and, if within thirty (30) days from the date of the last publication there has not been filed with the city clerk of such city a protest signed by qualified electors of such city equal in number to not less than ten percent (10%) of the electors who voted at the last

preceding regular city election as shown by the poll books, such city may make such sale, trade or exchange.

In the event such a petition is filed with the city clerk within the time prescribed above no such sale, trade or exchange shall be made until the governing body shall be instructed so to do by a majority of all the votes cast on this proposition at a regular or special election. Any election required as herein provided shall be called and held as provided by law for bond elections.”

Allegations Common to Counts I and II

25. K.S.A. 12-1301 describes the protest as a “petition,” accordingly, K.S.A. 25-3601(a) is applicable and provides in pertinent part as follows:

“Subject to the provisions of subsection (d), if a petition is required or authorized as a part of the procedure applicable to the state as a whole or any legislative election district or to any county, city, school district or other municipality, or part thereof, the provisions of K.S.A. 25-3601 *et seq.*, and amendments thereto, shall apply.”

26. K.S.A. 25-3601(d) additionally states that, when any other statute imposes specific requirements which are different from the requirements of K.S.A. 25-3601 *et seq.*, the provisions of the specific statute shall apply.

27. K.S.A. 12-1301 does not impose any specific requirements that would take precedence over K.S.A. 25-3601 *et seq.*, other than the timing of the election (provided a valid petition is submitted and an election is called).

28. K.S.A. 25-3601, *et seq.* is a procedural statute which applies only when some other statute provides authority for a referendum. *Ramcharan-Maharajh v. Gilliland*, 48 Kan. App. 2d 137, 140 (2012).

29. K.S.A. 25-3601 *et seq.* provides a format for submitting ballot questions and a process for getting official approval of questions before getting citizen signatures on petitions seeking a public vote. *Id.*

30. The Kansas Constitution gives broad home-rule powers to cities, but the home-rule provision in the Kansas Constitution provides for “referendums only in such cases as prescribed by the legislature.” *Id.* at 140 (citing Kan. Const. art. 12, §5(b)).

31. The statute cited and relied upon by the Petitions for authority to call a referendum is K.S.A. 12-1301. Ex. A.

32. Absent compliance with the requirements of K.S.A. 12-1301 and K.S.A. 25-3601 *et seq.*, there is no legal basis to call for a referendum binding the City as requested by the Petitions.

33. The procedural requirements within K.S.A. 25-3601, *et seq.* are mandatory. Kan. A.G. Op. 84-41 (citing A.G. Ops. 77-303, 78-40, 81-23, and 82-230); *accord* Kan. A.G. Op. 86-51; Kan. A. G. Op. 88-115; Kan. A.G. Op. 90-71 (The provisions of K.S.A. 25-3601 *et seq.* are mandatory and are not mere formalities that can be disregarded at will.); Kan. A.G. Op. 91-94; Kan. A.G. Op. 92-136; Kan. A.G. Op. 95-28; Kan. A.G. Op. 01-43; Kan. A.G. Op. 90-64.

34. At the same time, a petition should not be invalidated by unimportant irregularities or defects if it is in substantial compliance with statutory requisites. Kan. A.G. Op. 92-136; *accord* *City of Wichita v. Peterjohn*, 62 Kan. App. 2d 750, 756-57 (2022) (petition organizers must comply with the essential matters necessary to assure every reasonable objective of the statutes [K.S.A. 25-3601, *et seq.*] have been met); *but see Schmidt v. City of Wichita*, 303 Kan. 650 (2016) (without ruling on whether substantial vs. actual compliance with the statutory procedural requirements relating to submission of the initiative petition was the relevant standard, the Court nonetheless applied the substantial compliance standard. ‘Substantial compliance is compliance in respect to the essential matters necessary to assure every reasonable objective of the statute.’). Whether a party substantially complies with a statute generally involves statutory interpretation. *Stueckemann v. City of Basehor*, 301 Kan. 718, Syl. 2, 727 (2015).

35. “The matter of circulating a petition to place a particular question to a vote is a serious matter. Thus, it is important that each of the clearly-stated requirements of K.S.A. 25-3602 be met.” *See* Kan. A.G. Op. 85-160; Atty. Gen Op. Nos. 79-290; 82-230.” *Accord* Kan. A.G. Op. 88-115 (1988). Failure to comply with the statutory requirements of K.S.A. 25-3602 renders a petition invalid. *Id.*

36. Without a proper petition, the governing body to which the petition is directed lacks authority to take the action requested in the petition. *See id.*; *accord* Kan. A.G. Op. 88-115; *City of Wichita v. Peterjohn*, 62 Kan. App. 2d 750, 755 (2022) (Petitions which fail to comply with statutory requirements are “null and void” and do not trigger any further action by the city council).

37. The governing body of the City possesses the authority to determine the sufficiency of a petition, unless that authority has been expressly conferred by law upon a different official or entity. Kan. A.G. Op. 96-78.

38. The county election officer is charged with determining the sufficiency of the signatures on petitions. *Id. see also* K.S.A. 25-3601(a).

39. The county counselor is obligated to determine the legality of the form (as opposed to the content) of the question set forth in petitions when petitions are submitted for review in accordance with state statute. *Id.*; *see also* K.S.A. 25-3601(a).

40. All matters other than those delegated to the county election officer and counselor relating to the sufficiency of a petition are reserved to the governing body of the City. Kan. A.G. Op. 96-78.

41. When a petition is presented to municipal authorities requesting a popular vote, “the decision of the governing body with respect to the sufficiency or insufficiency of such petition is binding upon the parties and conclusive on the courts unless it be shown the decision was

actuated by fraud or some misconduct which is the substantial equivalent of fraud.” *See State ex rel. Griffith v. City of Walnut*, 166 Kan. 296, Syl. 1, 297 (1949) (construing and applying K.S.A. 12-2001(m) providing for a protest and a popular election upon petition of 20% of electorate to franchise ordinance). The mere exercise of good faith in determining the legal sufficiency or insufficiency of a petition seeking to have an ordinance submitted to a popular vote, does not, however, excuse, or permit, illegal procedure and action of the governing body in reaching its decision. *Griffith*, 166 Kan. at Syl. 2, 298.

42. Petitions must be “filed with the county election officer or other official, if another official is designated in the applicable statutes”. K.S.A. 25-3602(a).

43. K.S.A. 12-1301 designates the city clerk as the person with whom a petition under that statute must be filed. However, a statute which requires that a petition be filed with the city clerk does not require the city clerk to validate signatures on the petition. Kan. A.G. Op. 91-067.

44. The provisions of K.S.A. 25-3601, *et seq.* require that the county election officer validate such signatures. *Id; accord* Kan. A.G. Op. 96-78; see also K.S.A. 25-3601(a). Specifically, K.S.A. 25-3601(a) provides:

“The sufficiency of each signature and the number thereof on any such petition shall be determined in accordance with the provisions of K.S.A. 25-3601 through 25-3607, and amendments thereto, by the county election officer or such other official as designated in the applicable statute.”

45. Petitioners failed to file the Petitions with the Johnson County election officer as required by state statute.

46. The City nonetheless submitted the original Petitions to the Johnson County Election Office on December 29, 2023.

47. On January 9, 2024 the City received the following determination from the Johnson County Election Office,

“The Johnson County Election Office has completed petition signature verification, in compliance with Kansas Election Standards Chapter V verification chart, for a petition regarding the protest of the sale, trade, or exchange in connection with Joe D. Dennis Park, the originals of which were submitted by your office on Friday, December 29, 2023. I make no determination as to the legal sufficiency of the petition.

Signatures submitted: **220**

Total signatures accepted as registered City of Westwood, Kansas, voters, as of December 29, 2023: **169**

We will need the City’s written confirmation of: 1) Whether the petition is valid; 2) if valid and an election is called, the question for the ballot; and 3) the date requested for the election.”

48. State law requires submission of the form of the question which the petitioners are requesting be presented to the electorate to the Johnson County Counselor’s office. Specifically, K.S.A. 25-3601(a) provides in pertinent part as follows:

“Except as provided herein, a copy of any petition requesting an election in any political or taxing subdivision of the state shall be submitted to the office of the county attorney of the county or district attorney of the district in which all or the greater portion of the political or taxing subdivision is located. If a county counselor has been appointed in the county or district, the petition shall be submitted to the county counselor. The petition shall be submitted either by hand-delivery or by certified mail, return receipt requested. Such petition shall contain the question to be submitted at the election. Within five business days following submission of the petition, the county counselor, county attorney or district attorney shall furnish a written advisory opinion as to the legality of the form of the question contained on the petition. There shall be a rebuttable presumption that the form of any question approved by the county counselor, county attorney or district attorney complies with the requirements of this act. If such opinion is not furnished within five days of submission of the question, the form of the question shall be deemed in compliance with the requirements of this act.”

49. The requirement that a petition be submitted to the County Attorney for review of the form of the question is mandatory and a petition which has not met this requirement is invalid. Kan. A.G. Op. 95-28; *accord* Kan. A.G. Op. 99-59; *Reed v. Seeman*, 26 Kan. App. 2d 561, 564 (1999).

50. Petitioners failed to submit the Petitions to the County Counselor for review of the form of the question.

51. Despite the Petitioners' failure to submit the Petitions to the County Counselor for a determination of the sufficiency of the form of the question, the City nonetheless submitted the Petitions to the County Counselor for review after the close of the protest petition deadline.

52. On January 17, 2024, the County Counselor issued a determination which provides that the form of the question presented in the Petitions is invalid. Exhibit B.

53. On January 17, 2024 a special meeting of the governing body of the City of Westwood was convened to render a determination as to the sufficiency of the Petitions at which the governing body adopted City Resolution No. 125-2024 attached hereto as Exhibit C and incorporated herein by reference. This Resolution determined the Petitions to be invalid for the reasons stated therein.

54. The City has no authority to alter the request within the Petitions. "Officers having charge of the machinery for bringing an initiative or referendum petition to a vote of the electors cannot alter the petition." Kan. A.G. Op. 92-136 (citing 42 Am. Jur. 2nd Initiative and Referendum § 26 (1969)). Further authority states once the petition documents are filed, they cannot be amended, or withdrawn and resubmitted for filing. Robert W. Parnacott, *People Have the Power: The Power of the Petition*, J. Kan. B. Ass'n., March 2011, at 32, 37 (citing Kan. Atty Gen. Op. No. 81-230).

55. The Petitioners are likewise without authority to remedy any defects within the Petitioner's Petitions. "In addition to statutory requirements [within K.S.A. 25-3602], the very definition of a petition requires that the petitioners' request be stated on the petition to assure that other requests or petitions, not necessarily known to those who signed the petition, are not

attempted to be included as part of the petition. Minor changes may be made in the form of the petition after the signers have affixed their signatures thereto, but an insufficient petition may not be made sufficient by amendment after the time limit for filing has expired.” Kan. A.G. Op. 88-115 (citing 26 Am. Jur. 2d, Elections § 189 (1966) and *Duggan v. Emporia*, 84 Kan. 429 (1911)).

56. Pursuant to K.S.A. 12-1301 the time limit for submission of the Petitions was thirty (30) days from the date of last publication of the notice of intent to sell the property, which last publication occurred on November 14, 2023, thus making the deadline for submission of the petition December 14, 2023. Accordingly, the time for any proposed changes to the Petitions expired on December 14, 2023.

57. State statute prescribes that a recital shall be included above the space provided for petition signatures. Specifically, K.S.A. 25-3602(b)(3) states,

“(b) Unless otherwise specifically required, each petition shall:

. . .

(3) contain the following recital above the spaces provided for signatures: ‘I have personally signed this petition. I am a registered elector of the state of Kansas and of

(here insert name of political or taxing subdivision)

and my residence address is correctly written after my name.

The recital shall be followed by blank spaces for the signature, residence address and date of signing for each person signing the petition.”

58. The Petitions submitted fail to state “I have personally signed this petition.”

59. The statutory recital referenced in the preceding paragraph is required for a valid petition. *See* Kan. A.G. Op. 85-160; *accord* Kan. A.G. Op. 86-51 (Failure to include this statutory statement within the petition is a “substantial irregularity” which serves to invalidate a petition);

accord Kan. A.G. Op. 90-71; Kan. A.G. Op. 91-94; *City of Prairie Village v. Morrison*, 264 P.3d 1058 (Table), 2011 WL 6310196, *4 (Kan. App. 2011).

60. The recital in the petition additionally lacks the required statutory language referenced K.S.A. 25-3602(b)(3) that the signatories' residence is correctly written after their name.

61. The statutory recital referenced in K.S.A. 25-3602(b)(3) additionally requires a statement that the signor of the petition is a "registered elector" of the state of Kansas and the City of Westwood.

62. The recital in the Petitions state that the signatories are "qualified electors." The recital does not state that the signatories are "registered electors."

63. A "qualified elector" is different from being a "registered elector" under State law. Under the Kansas Constitution at Art. 5, Sec. 1, a qualified elector is defined as those who are eligible to vote. Pursuant to K.S.A. 25-2302, a qualified elector must register to vote to have the right to vote.

64. The recital additionally fails to state that the signatories are registered electors of the State of Kansas, although it does state that the signatories are registered electors of Westwood, Kansas.

65. K.S.A. 25-3602(b)(3) requires that "The recital shall be followed by blank spaces for the signature, residence address and date of signing for each person signing the petition."

66. The Petitions submitted fail to date any of the signatures on the petition.

67. A petition which fails to state the date for any of the signatures on the petition is invalid. Kan. A.G. Op. 91-94.

68. At the end of each set of documents carried by each circulator, the petition must contain a recital in substance as follows:

“I am the circulator of this petition and I am qualified to circulate this petition and I personally witnessed the signing of the petition by each person whose name appears thereon.

(signature of circulator)

(circulator's residence address)”

K.S.A. 25-3602(b)(4). Such a verification is required. Kan. A.G. Op. 85-160; *accord*, Kan. A.G. Op. 86-51 (Failure to include this attestation is a “substantial irregularity” rendering a petition invalid); *accord* Kan. A.G. Op. 92-136; Kan. A.G. Op. 90-64; *City of Prairie Village v. Morrison*, 264 P.3d 1058 (Table), 2011 WL 6310196, *4 (Kan. App. 2011).

69. The recital referenced in the preceding paragraph must be verified upon oath or affirmation before a notarial officer in the manner prescribed by the revised uniform law on notarial acts. K.S.A. 25-3602(b)(4). Under K.S.A. 53-5a02(o), “verification on oath or affirmation” means “a declaration, made by an individual on oath or affirmation before a notarial officer, that a statement in a record is true.”

70. The notary blocks on the Petitions do not make the statement referenced in the preceding paragraph, they simply state that they are “executed the same for the purposes therein stated.”

71. Additionally, a couple of the notary blocks reference “State of Kansas, County of Johnson”, but are stamped by a Missouri notary.

72. K.S.A. 25-3608(b) relating to the definition of an eligible petition circulator provides as follows,

“(b) All petition circulators, whether residents or nonresidents of the state of Kansas, are required to agree to submit to the jurisdiction of the state, including its agencies, political subdivisions and election officials, for purposes of subpoena enforcement regarding the integrity and reliability of the petition process.”

(See also Kansas Secretary of State, Kansas Election Standards, Chapter 5, Petitions, pg. V-5).

73. Nowhere within the petition does the petition circulator agree to submit to the jurisdiction of the state, including its agencies, political subdivisions and election officials, for purposes of subpoena enforcement regarding the integrity and reliability of the petition process.

Count I – Challenge to Form of Question
Pursuant to K.S.A. 25-3601

74. The City incorporates the allegations in paragraphs 1-74 stated above herein.

75. K.S.A. 25-3601(e) provides that “Any action challenging the validity of the form of a question in a petition shall be filed in the district court within 20 days after such petition has been filed with the county election officer. The court shall render an opinion in any action filed to challenge the validity of the form of a question in a petition within 20 days after the date such action is filed with the court.”

76. The City challenges the form of the question stated within the Petitions in accordance with K.S.A. 25-3601(e).

77. The form of the question submitted within the Petitions is invalid for the reasons stated above, the reasons stated within the opinion of the County Counselor and the reasons identified within Resolution No. 125-2024.

WHEREFORE, Plaintiff Westwood, Kansas requests that the Court declare that the form of the question presented within the Petitions is invalid due to their noncompliance with Kansas statutes, including, but not limited to the following additional declarations:

- A. The form of the question presented within the Petitions fail to comply with K.S.A. 25-3601, 25-3602 and 25-620 and the Petitions are therefore invalid.
- B. The determination of the governing body of the City of Westwood as stated within Resolution 125-2024 as to the form of the question is binding upon the parties to this action and conclusive on this court as there is no allegation or evidence that such determination was actuated by fraud or some misconduct which is the substantial equivalent of fraud.
- C. Petitioners failed to comply with the statutory requirement of submitting the Petitioners' Petitions to the Johnson County Counselor's Office for a determination as to the form of the question presented within the Petitions. Such filing is a statutory mandate. As the Petitioners have failed to satisfy this statutory requirement, the Petitions are invalid.
- D. The failure of the Petitioners to state a form of the question which complied with State law is a substantive error which could not be remedied without invalidation of the signatures and assent represented by such signatures on the Petitions.
- E. Due to the invalidity of the form of the question within the Petitions, the City is not required to submit the sale of the 5000 Property or the 5050 Property to a popular vote.
- F. The sale of the 5000 Property and the 5050 Property by the City may proceed.

The plaintiff further prays that the Court enter any other relief that the Court deems appropriate.

Count II – Challenges to Petition Other than the Form of the Question

- 78. The City incorporates the allegations in paragraph 1-74 stated above herein.

79. The Petitions are invalid for the reasons stated within City Resolution 125-2024 for the reasons cited therein and for the reasons stated within this Petition which are unrelated to the form of the question.

WHEREFORE, Plaintiff Westwood, Kansas requests that the Court declare that Petitions are invalid due to their noncompliance with Kansas statutes, including, but not limited to the following additional declarations:

- A. The determination of the governing body of the City of Westwood as stated within Resolution 125-2024 other than those determinations relating to the form of the question are binding upon the parties to this action and conclusive on this court as there is no allegation or evidence that such determination was actuated by fraud or some misconduct which is the substantial equivalent of fraud.
- B. Petitioners failed to comply with the statutory requirement of submitting the Petitioners' Petitions to the Johnson County Counselor's Office for a determination as to the form of the question presented within the Petitions. Such filing is a statutory mandate. As the Petitioners have failed to satisfy this statutory requirement, the Petitions are invalid.
- C. Because the substance of any question presented within the Petitions is misleading and ambiguous, the Petitions are invalid.
- D. The failure of the Petitions to contain the required statutory recitals in K.S.A. 25-3602(b)(3) render the Petitions invalid.
- E. The failure of the Petitions to date any of the signatures on the Petitions render the Petitions invalid.

- F. The failure of the Petitions to contain the required statutory recitals in K.S.A. 25-3602(b)(4) render the Petitions invalid.
- G. The failure of the Petitions to comply with statutory required notarization and attestation requirements render the Petitions invalid.
- H. The failure of the Petitions to attest that the Petitions' circulators agree to submit to the jurisdiction of the state, including its agencies, political subdivisions and election officials, for purposes of subpoena enforcement regarding the integrity and reliability of the petition process in accordance with K.S.A. 25-3608(b) render the Petitions invalid.
- I. Due to the invalidity of the Petitions, the City is not required to submit the sale of the 5000 Property or the 5050 Property to a popular vote.
- J. The sale of the 5000 Property and the 5050 Property by the City may proceed.

The plaintiff further prays that the Court enter any other relief that the Court deems appropriate.

Count III – K.S.A. 12-1301 Inapplicable

80. Plaintiff incorporates paragraph 1-24 herein.

81. K.S.A. 12-1301 is inapplicable to the City's sale of the 5000 Property and/or the 5050 Property as neither property has been legally dedicated to park purposes and as the City holds fee simple absolute title to such properties. The City has statutory and home rule authority to freely transfer such properties without the requirement of compliance with K.S.A. 12-1301.

WHEREFORE, the plaintiff, City of Westwood, requests that this Court declare that K.S.A. 12-1301 is inapplicable to the City's sale of the 5000 Property and/or the 5050 Property. The City requests that the Court further declare that as K.S.A. 12-1301 is inapplicable to the sale of these properties that the Petitions do not require the submission of the sale of these properties

to the electorate of the City. The City requests that the Court declare that the sale of the 5000 Property and the 5050 Property by the City may proceed. The plaintiff further prays that the Court enter any other relief that the Court deems appropriate.

Respectfully submitted,

Re: Submission of petition to the City of Westwood re: Joe D. Dennis Park

Dear Ryan:

Our office is in receipt of your cover letter and copies of a signed petition via email and by hand delivery, on January 10, 2024. (See attached letter.) This office has not, as of this date, received a request from the petitioners for a review of the petition's form of the question.

The copy of the petition form you submitted consists of several documents with signatures, and includes some typewritten pages labeled as courtesy reference guides and courtesy transcriptions. The text that follows the title of the document "invokes" the provisions of K.S.A. 12-1301 and "register (sic) protest", under the same statute, against the City's proposed action for the described property, which is called Joe D. Dennis Park. In the final paragraph before the signature lines, the petition states that petitioners "...join this petition with the intent to meet the threshold number of qualified electors necessary to require the governing body to place on the ballot the question as to whether the Joe D. Dennis Park shall be sold, traded, or exchanged."

Your letter states that it is unclear whether the failure of petitioners to submit the petition to the county counselor for a review of the form of the petition question invalidates the petition. As you know, K.S.A. 25-3601, et seq. requires that a copy of certain petitions be submitted to the county counselor for an opinion as to the legality of the form of the question, and our review is limited to that issue.

Since the City has submitted the petition for review, we will respond with our opinion on the form of the question. We do not make a determination on whether the petitioners' failure to submit will invalidate the petition.

**EXHIBIT
B**

This review and opinion are limited to the legality of the form of the question. In our review, we have considered certain legal authority, including K.S.A. 25-3601, et seq., K.S.A. 25-620, K.S.A. 12-1301, et seq., and K.S.A. 10-120, et seq.

It is our opinion this petition does not state a question in a form that complies with Kansas law. First, the language of the document does not contain a question. There is a statement that the petitioners want to require the City's governing body "...to place on the ballot the question as to whether the Joe D. Dennis Park shall be sold, traded, or exchanged." K.S.A. 25-3602(b) requires "...unless otherwise specifically required..." the petition must "...State the question which the petitioners seek to bring to an election in the form of a question as it should appear upon the ballot in accordance with the requirements of K.S.A. 25-620 and 25-3601...." This statement of intention does not meet this mandatory Kansas requirement. K.S.A. 25-3602(b). See also Kan. A.G. Op. 99-59. In another opinion, the Kansas Attorney General states, "(W)e have consistently interpreted the provisions of K.S.A. 25-3602 as mandatory and, therefore, those provisions cannot be disregarded at will. See also Attorney General Opinions No. 92-103, 85-160, 86-19, 86-51, 91-94, 90-71, 90-64. The petition must clearly state the question which petitioners seek to bring to an election." Kan. A.G. Op. 94-119. "Opinions of the Attorney General have consistently stated that the requirements set forth in K.S.A. 25-3602 are mandatory...and that the question petitioners seek to bring to an election must be set forth in the form of a question." Kan. A.G. Op. 94-118. We are aware that K.S.A. 25-3601(c) would permit a challenge to an ordinance or resolution adopted by the governing body if the petitioners had followed the requirements of that section but it does not appear that the petitioners did. Petitioner signers should know what ballot language they are supporting if they choose to sign.

Per State law, the City is to determine the legal requirements for a valid petition, including the petition form, signature and verification requirements, timing and filing requirements, or whether the petitioners' failure to submit the petition to this office for review invalidates the petition.

**CITY OF WESTWOOD, KANSAS
RESOLUTION NO. 125-2024**

**A RESOLUTION OF THE CITY OF WESTWOOD, KANSAS,
DETERMINING AND DECLARING PETITIONS FILED WITH THE CITY
CLERK ON DECEMBER 12, 2023, INVALID.**

WHEREAS, certain petitions were filed with the City Clerk on December 12, 2023, purportedly under the authority of K.S.A. 12-1301 requesting a public referendum on the sale of city owned property ("Petitions"); and

WHEREAS, a special meeting of the Governing Body of the City was called and held on January 17, 2024, to consider the validity of the Petitions;

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF WESTWOOD, KANSAS:

SECTION 1: The Governing Body of the City makes the following findings relative to the Petitions:

1. The City published the following notices in the official city newspaper, the Legal Record, on November 7 and 14, 2023:

“CITY OF WESTWOOD, KANSAS

NOTICE

Pursuant to K.S.A. 12-1301, notice is hereby given that the City of Westwood, Kansas, intends to sell certain property that may be considered public park property, such property commonly known and numbered as 5000 Rainbow Blvd. (Johnson County Parcel Nos. RP630000010001 and RF2512033060) and 5050 Rainbow Blvd. (Johnson County Parcel Nos. RP27000000008D and RP30000010012B). Full legal descriptions of such parcels are available at Westwood City Hall, 4700 Rainbow Blvd. The City of Westwood reserves all rights to challenge the applicability of K.S.A. 12-1301 as to such parcels.

/s/ David E. Waters, Mayor

11/7 11/14”

2. On December 12, 2023, the Petitions were filed with the City Clerk of the City. *See Exhibit A* attached hereto and incorporated herein by this reference.
3. The Petitions purported to have been filed in accordance with K.S.A. 12-1301. K.S.A. 12-1301 provides in pertinent part as follows:

*Clerk of the District Court, Johnson County Kansas

**EXHIBIT
C**

“Land for park purposes; sales or exchanges in connection with parks; use of moneys; notice; protest; election; validation of prior sales and conveyances. Any city may acquire by purchase, or lease or may take options upon, land within or without the limits of said city to be used as a public park for the use and benefit of the people of said city. Any city may trade or exchange any public park, public square or market square which it may own, or any portion thereof, for other land to be used for similar purposes, or may sell the same. Any such sale heretofore made is hereby confirmed, legalized and declared to be a valid sale and conveyance. Before making any such trade or exchange or sale, the city shall first publish notice of such proposal in the official city paper once each week for two consecutive weeks upon the same day of the week and, if within thirty (30) days from the date of the last publication there has not been filed with the city clerk of such city a protest signed by qualified electors of such city equal in number to not less than ten percent (10%) of the electors who voted at the last preceding regular city election as shown by the poll books, such city may make such sale, trade or exchange.

In the event such a petition is filed with the city clerk within the time prescribed above no such sale, trade or exchange shall be made until the governing body shall be instructed so to do by a majority of all the votes cast on this proposition at a regular or special election. Any election required as herein provided shall be called and held as provided by law for bond elections.”

4. K.S.A. 12-1301 describes the protest as a “petition”; accordingly, K.S.A. 25-3601(a) is applicable and provides in pertinent part as follows:

“Subject to the provisions of subsection (d), if a petition is required or authorized as a part of the procedure applicable to the state as a whole or any legislative election district or to any county, city, school district or other municipality, or part thereof, the provisions of K.S.A. 25-3601 *et seq.*, and amendments thereto, shall apply.”

K.S.A. 25-3601(d) additionally states that, when any other statute imposes specific requirements which are different from the requirements of K.S.A. 25-3601 *et seq.*, the provisions of the specific statute shall apply. K.S.A. 12-1301 does not impose any specific requirements that would take precedence over K.S.A. 25-3601 *et seq.*, other than the timing of the election (provided a valid petition is submitted and an election is called).

5. K.S.A. 25-3601, *et seq.* is a procedural statute which applies only when some other statute provides authority for a referendum. *Ramcharan-Maharajh v. Gilliland*, 48 Kan. App. 2d 137, 140 (2012). K.S.A. 25–3601 *et seq.* provides a format for submitting ballot questions and a process for getting official approval of questions before getting citizen signatures on petitions seeking a public vote. *Id.* The Kansas Constitution gives

broad home-rule powers to cities, but the home-rule provision in the Kansas Constitution provides for “referendums only in such cases as prescribed by the legislature.” *Id.* at 140 (citing Kan. Const. art. 12, §5(b)). Some statute other than K.S.A. 25-3601 *et seq.* must provide the authority for a referendum. *Id.* A city’s agreement to put a referendum on the ballot would contravene public policy and thus be invalid unless there is statutory authority for the referendum. *Id.* The statute cited by the Petitions for authority to call a referendum is K.S.A. 12-1301. Absent compliance with the requirements of K.S.A. 12-1301 and K.S.A. 25-3601 *et seq.*, there is no legal basis to call for a referendum as requested by the Petitions.

6. The procedural requirements within K.S.A. 25-3601, *et seq.* are mandatory. Kan. A.G. Op. 84-41 (citing A.G. Ops. 77-303, 78-40, 81-23, and 82-230); *accord* Kan. A.G. Op. 86-51; Kan. A.G. Op. 88-115; Kan. A.G. Op. 90-71 (The provisions of K.S.A. 25-3601 *et seq.* are mandatory and are not mere formalities that can be disregarded at will.); Kan. A.G. Op. 91-94; Kan. A.G. Op. 92-136; Kan. A.G. Op. 95-28; Kan. A.G. Op. 01-43; Kan. A.G. Op. 90-64. At the same time, a petition should not be invalidated by unimportant irregularities or defects if it is in substantial compliance with statutory requisites. Kan. A.G. Op. 92-136; *accord* *City of Wichita v. Peterjohn*, 62 Kan. App. 2d 750, 756-57 (2022) (petition organizers must comply with the essential matters necessary to assure every reasonable objective of the statutes [K.S.A. 25-3601, *et seq.*] have been met); *but see* *Schmidt v. City of Wichita*, 303 Kan. 650 (2016) (without ruling on whether substantial vs. actual compliance with the statutory procedural requirements relating to submission of the initiative petition was the relevant standard, the Court nonetheless applied the substantial compliance standard. ‘Substantial compliance is compliance in respect to the essential matters necessary to assure every reasonable objective of the statute.’). Whether a party substantially complies with a statute generally involves statutory interpretation. *Stueckemann v. City of Basehor*, 301 Kan. 718, Syl. 2, 727 (2015). “The matter of circulating a petition to place a particular question to a vote is a serious matter. Thus, it is important that each of the clearly-stated requirements of K.S.A. 25-3602 be met.” *See* Kan. A.G. Op. 85-160; Atty. Gen. Op. Nos. 79-290; 82-230.” *Accord* Kan. A.G. Op. 88-115 (1988). Failure to comply with the statutory requirements of K.S.A. 25-3602 renders a petition invalid. *Id.* Without a proper petition, the governing body to which the petition is directed lacks authority to take the action requested in the petition. *See id.*; *accord* Kan. A.G. Op. 88-115; *City of Wichita v. Peterjohn*, 62 Kan. App. 2d 750, 755 (2022) (Petitions which fail to comply with statutory requirements are “null and void” and do not trigger any further action by the city council).
7. The governing body of the City possesses the authority to determine the sufficiency of a petition unless that authority has been expressly conferred by law upon a different official or entity. Kan. A.G. Op. 96-78. The county election officer is charged with determining the sufficiency of the signatures on the petition. *Id.*; *see also* K.S.A. 25-3601(a). The county counselor is obligated to determine the legality of the form (as opposed to the content) of the question set forth in the petition when the petition is submitted for review in accordance with state statute. *Id.*; *see also* K.S.A. 25-3601(a). All other matters relating to the sufficiency of a petition are reserved to the governing body of the City. Kan. A.G. Op. 96-78.

8. When a petition is presented to municipal authorities requesting that an ordinance be submitted to a popular vote, “the decision of the governing body with respect to the sufficiency or insufficiency of such petition is binding upon the parties and conclusive on the courts unless it be shown the decision was actuated by fraud or some misconduct which is the substantial equivalent of fraud.” *See State ex rel. Griffith v. City of Walnut*, 166 Kan. 296, Syl. 1, 297 (1949) (construing and applying K.S.A. 12-2001(m) providing for a protest and a popular election upon petition of 20% of electorate to franchise ordinance). The mere exercise of good faith in determining the legal sufficiency or insufficiency of a petition seeking to have an ordinance submitted to a popular vote, does not, however, excuse, or permit, illegal procedure and action of the governing body in reaching its decision. *Griffith*, 166 Kan. at Syl. 2, 298.
9. Petitions must be “filed with the county election officer or other official, if another official is designated in the applicable statutes”. K.S.A. 25-3602(a). K.S.A. 12-1301 designates the city clerk as the person with whom the petition must be filed. However, a statute which requires that a petition be filed with the city clerk does not require the city clerk to validate signatures on the petition. Kan. A.G. Op. 91-067. The provisions of K.S.A. 25-3601, *et seq.* require that the county election officer validate such signatures. *Id.*; accord Kan. A.G. Op. 96-78; see also K.S.A. 25-3601(a). Specifically, K.S.A. 25-3601(a) provides:

“The sufficiency of each signature and the number thereof on any such petition shall be determined in accordance with the provisions of K.S.A. 25-3601 through 25-3607, and amendments thereto, by the county election officer or such other official as designated in the applicable statute.”
10. Petitioners failed to file the Petitions with the Johnson County election officer as required by state statute. The City nonetheless submitted the original Petitions to the Johnson County Election Office on December 29, 2023.
11. On January 9, 2024, the City received the following determination from the Johnson County Election Office:

“The Johnson County Election Office has completed petition signature verification, in compliance with Kansas Election Standards Chapter V verification chart, for a petition regarding the protest of the sale, trade, or exchange in connection with Joe D. Dennis Park, the originals of which were submitted by your office on Friday, December 29, 2023. I make no determination as to the legal sufficiency of the petition.

Signatures submitted: **220**

Total signatures accepted as registered City of Westwood, Kansas, voters, as of December 29, 2023: **169**

We will need the City's written confirmation of: 1) Whether the petition is valid; 2) if valid and an election is called, the question for the ballot; and 3) the date requested for the election."

12. State law requires submission of the form of the question which the petitioners are requesting be presented to the electorate to the Johnson County Counselor's office. Specifically, K.S.A. 25-3601(a) provides in pertinent part as follows:

"Except as provided herein, a copy of any petition requesting an election in any political or taxing subdivision of the state shall be submitted to the office of the county attorney of the county or district attorney of the district in which all or the greater portion of the political or taxing subdivision is located. If a county counselor has been appointed in the county or district, the petition shall be submitted to the county counselor. The petition shall be submitted either by hand-delivery or by certified mail, return receipt requested. Such petition shall contain the question to be submitted at the election. Within five business days following submission of the petition, the county counselor, county attorney or district attorney shall furnish a written advisory opinion as to the legality of the form of the question contained on the petition. There shall be a rebuttable presumption that the form of any question approved by the county counselor, county attorney or district attorney complies with the requirements of this act. If such opinion is not furnished within five days of submission of the question, the form of the question shall be deemed in compliance with the requirements of this act."

The requirement that a petition be submitted to the County Attorney for review of the form of the question is mandatory and a petition which has not met this requirement is invalid. Kan. A.G. Op. 95-28; *accord* Kan. A.G. Op. 99-59; *Reed v. Seeman*, 26 Kan. App. 2d 561, 564 (1999).

13. Petitioners failed to comply with the statutory requirement of submitting the Petitioners' Petitions to the Johnson County Counselor's Office for a determination as to the form of the question presented within the Petitions. As the Petitioners have failed to satisfy this statutory requirement, the Petitions are invalid.
14. Despite the Petitioners' failure to comply with the statutory obligation to submit the Petitions to the County Counselor for a determination of the sufficiency of the form of the question, the City nonetheless submitted the Petitions to the County Counselor for review.
15. On January 17, 2024, the County Counselor issued a determination which provides that the form of the question presented in the Petitions is invalid. That determination is attached hereto as Exhibit B and is hereby adopted and incorporated herein by reference.

16. The City concurs with the determination of the County Counselor that the form of the question stated within the Petitions fails to comply with statutory requirements and are invalid for the following reasons:

A. The Petitions in question state as follows:

“The undersigned hereby invokes the provisions of Kansas Statute Annotated 12-1301 (Land for park purposes; sales or exchanges in connection with parks; use of moneys; notice; protest; election; validation of prior sales and conveyances.) and do hereby register protest under K.S.A. 12-1301 against the City of Westwood, Kansas’ proposal to sell, trade, or exchange the following described property:

Joe D. Dennis Park generally located at the southwest corner of 50th and Rainbow Boulevard in Westwood, KS 66205.

The undersigned hereby certify that they are a qualified elector within the corporate limits of Westwood, Kansas, and join this petition with the intent to meet the threshold number of qualified electors necessary to require the governing body to place on the ballot the question as to whether the Joe D. Dennis Park shall be sold, traded, or exchanged.”

- B. State statute requires that petitions shall contain the question to be submitted at the election. K.S.A. 25-3601(a). The failure of a petition to “clearly state” the specific question which the petitioners seek to bring to election renders a petition invalid. Kan. A.G. Op. 90-71; *accord* Kan. A.G. Op. 91-94 (Petition requesting “to defer the 6 mill levy for Jewell County Hospital, until such time as the mill levy shall be submitted to and approved by a majority of the voters” failed to meet the statutory requirement); *see also* Kan. A.G. Op. 01-43; Kan. A.G. Op. 09-17 (Question stated in the petition should mimic the ballot proposition in accordance with K.S.A. 25-620 (“Shall the following be adopted?”) and K.S.A. 25-3601(c) (“Shall the following ordinance . . . become effective?”)); Kan. A.G. Op. 84-100; Kan. A.G. Op. 90-64 (“the petition must clearly state the question which petitioners seek to bring to an election.” (emphasis in original)); Kan. A.G. Op. 94-119; Kan. A.G. Op. 94-118 (Question petitioners seek to bring to an election must be set forth in the form of a question). Each petition shall “[s]tate the question which petitioners seek to bring to an election in the form of a question as it should appear on the ballot in accordance with the requirements of K.S.A. 25-620 and 25-3601 . . .”. K.S.A. 25-3602(b)(1). The form of the question within a petition must be preceded by the statutory language “Shall the following be adopted” as required by K.S.A. 25-3602(b)(1). Kan. A.G. Op. 94-95; Kan. A.G. Op. 94-118 (Because the question set forth in a petition seeking to bring an issue before the electorate must be in the form of a question as it should appear upon the ballot in accordance with the requirements of K.S.A. 25-620, the question set forth in

the petition must be preceded by the phrase ‘Shall the following be adopted.’). A statement requesting the governing body to take certain action will not meet this obligation. Kan. A.G. Op. 90-64 (citing Kan. A.G. Op. 82-230, 85-160, 86-19); *accord* Kan. A.G. Op. 94-119. The Petitions fail to clearly state the question which Petitioners are requesting to be placed on a ballot. Additionally, the Petitions fail to state any question to be placed upon a ballot in a form in compliance with the required language of state statutes.

- C. K.S.A. 25-3602(b)(1) requires that a petition “State the question which petitioners seek to bring to an election in the form of a question as it should appear upon the ballot in accordance with the requirements of K.S.A. 25-620 and 25-3601, and amendments thereto.” K.S.A. 25-620 provides in pertinent part as follows,

“Each proposition or question shall be preceded by the words, ‘Shall the following be adopted?’ [O]pposite and after each proposition and question shall be printed two squares, one above the other. To the right of the upper one of the squares shall be printed the word “Yes,” and to the right of the lower one of the squares shall be printed the word “No.” Across the entire width of the ballot, at the top, shall be printed the following instructions: “To vote in favor of any question submitted upon this ballot, make a cross or check mark in the square to the left of the word ‘Yes’; to vote against it, make a cross or check mark in the square to the left of the word ‘No.’”

The Petitions fail to state any question to be placed upon a ballot in a form in compliance with the required language of state statutes.

- D. Relative to protest petitions, K.S.A. 25-3602 provides that the “form of question” “in a petition requesting an election on or protesting an ordinance, or resolution, adopted by the governing body” is presumed valid if the petition states the title, ordinance number, the exact language of the ordinance proposed for adoption, and the title of the petition states “Shall the following ordinance, or resolution, become effective?”

The Petitions presented to the City purport to protest a “proposal” of the City to sell Dennis Park, however, the Petitions fail to identify any specific action, whether such action was by ordinance, resolution, or motion, which is the subject of the protest. Furthermore, the petitions do not request an election identifying a question to be submitted to the electorate of whether or not a specific action of the governing body shall become effective.

- E. The form of any question stated within the Petitions fails to include the required statutory language of “Shall the following be adopted?” or “Shall the following ordinance or resolution become effective?”. Additionally, the form of any question stated within the petitions fail to include the required statutory

language identified in K.S.A. 25-620. For these reasons, the Petitions are invalid.

17. In addition to deficiencies in the form of the question submitted, the substance of any question to be presented to the voters is misleading and ambiguous. It is unclear from the Petitions whether the petitioners are protesting a specific action of the City and calling for a referendum on that action of the City or whether the Petitions solely seek to place on the ballot “the question as to whether the Joe D. Dennis Park shall be sold, traded or exchanged.” Petitions may only concern a single issue. *Peterjohn*, 62 Kan. App. 2d at 756 (citing K.S.A. 25-3602(a)). The governing body of the City retains the authority to determine whether the question set forth in the petition is misleading or ambiguous. Kan. A.G. Op. 96-78. Because the Petitions do not request that a specific action of the City relative to the sale of the subject property be placed upon the ballot for a determination of whether or not such action shall become effective, the Petitions are misleading and ambiguous as protest petitions. Additionally, the question which the Petitioners request be placed upon the ballot “as to whether the Joe D. Dennis Park shall be sold, traded or exchanged” is likewise misleading and ambiguous. A question “as to” whether something should be done or not is inherently ambiguous. The question is additionally stated in the disjunctive – i.e., should the subject property be “sold, traded or exchanged.” If sold, the question fails to state the terms of the sale. If traded or exchanged, the question fails to state what the subject property will be traded or exchanged for. For these reasons, the Petitions are invalid.
18. The City is without authority to modify the defect of the Petitioner’s failure to include a valid question to be presented to the electorate. The City has no authority to alter the request within the Petitions. “Officers having charge of the machinery for bringing an initiative or referendum petition to a vote of the electors cannot alter the petition.” Kan. A.G. Op. 92-136 (citing 42 Am.Jur.2d, *Initiative and Referendum* § 26 (1969)). Further authority states once the petition documents are filed, they cannot be amended, or withdrawn and resubmitted for filing. Robert W. Parnacott, *People Have the Power: The Power of the Petition*, J. Kan. B. Ass’n., March 2011, at 32, 37 (citing Kan. Atty Gen. Op. No. 81-230). Because the Petitions fail to identify a valid question in the required statutory format that the Petitioners are requesting be submitted to the electorate, the City is without authority to fix such defects and create a proper question to be submitted for a referendum.
19. The Petitioners are likewise without authority to remedy the defect of the Petitioner’s failure to include a valid question to be presented to the electorate. “In addition to statutory requirements [within K.S.A. 25-3602], the very definition of a petition requires that the petitioners’ request be stated on the petition to assure that other requests or petitions, not necessarily known to those who signed the petition, are not attempted to be included as part of the petition. Minor changes may be made in the form of the petition after the signers have affixed their signatures thereto, but an insufficient petition may not be made sufficient by amendment after the time limit for filing has expired.” Kan. A.G. Op. 88-115 (citing 26 Am.Jur.2d, *Elections* § 189 (1966) and *Duggan v. Emporia*, 84 Kan. 429 (1911)). In this case, pursuant to K.S.A. 12-1301 the time limit for submission of the petition was thirty (30) days from the date of last

publication of the notice of intent to sell the property, which last publication occurred on November 14, 2023, thus making the deadline for submission of the petition December 14, 2023. Additionally, pursuant to the above authority, the failure to state the question in a valid form is not deemed a minor change which could have been remedied after the signers have affixed their signatures to the petition.

20. State statute prescribes that a recital shall be included above the space provided for petition signatures. Specifically, K.S.A. 25-3602(b)(3) states:

“(b) Unless otherwise specifically required, each petition shall:

(3) contain the following recital above the spaces provided for signatures: ‘I have personally signed this petition. I am a registered elector of the state of Kansas and of

(here insert name of political or taxing subdivision)

and my residence address is correctly written after my name.’

The recital shall be followed by blank spaces for the signature, residence address and date of signing for each person signing the petition.”

21. The Petitions submitted fail to state “I have personally signed this petition.” This recital is required for a valid petition. *See* Kan. A.G. Op. 85-160; *accord* Kan. A.G. Op. 86-51 (Failure to include this statutory statement within the petition is a “substantial irregularity” which serves to invalidate a petition); *accord* Kan. A.G. Op. 90-71; Kan. A.G. Op. 91-94; *City of Prairie Village v. Morrison*, 264 P.3d 1058 (Table), 2011 WL 6310196, *4 (Kan. App. 2011). The absence of this recital renders the Petitions invalid.
22. The recital in the petition additionally lacks the required statutory language referenced in paragraph 20 that the signators’ residence is correctly written after their name. The absence of this recital renders the Petitions invalid.
23. Relative to the recital requirement referenced in paragraph 20, the recital is to state that the signor of the petition is a “registered elector” of the state of Kansas and the City of Westwood. The recital in the Petitions state that the signatories are “qualified electors” which is different from being a “registered elector.” Under the Kansas Constitution at Art. 5, Sec. 1, a qualified elector is defined as those who are eligible to vote. Pursuant to K.S.A. 25-2302, a qualified elector must register to vote to have the right to vote. Finally, the recital fails to state that the signatories are registered electors of the State of Kansas, although it does state that the signatories are registered electors of Westwood, Kansas. The absence of this recital renders the Petitions invalid.
24. K.S.A. 25-3602(b)(3) requires that “The recital shall be followed by blank spaces for the signature, residence address and date of signing for each person signing the petition.” The Petitions submitted fail to date any of the signatures. A petition which fails to state the date for any of the signatures on the petition is invalid. Kan. A.G. Op. 91-94. Here, because none of the signatures on the Petitions are dated, the petition is invalid.

25. At the end of each set of documents carried by each circulator, the petition must contain a recital in substance as follows:

“I am the circulator of this petition and I am qualified to circulate this petition and I personally witnessed the signing of the petition by each person whose name appears thereon.

(signature of circulator)

(circulator’s residence address)”

K.S.A. 25-3602(b)(4). Such a verification is required. Kan. A.G. Op. 85-160; *accord*, Kan. A.G. Op. 86-51 (Failure to include this attestation is a “substantial irregularity” rendering a petition invalid); *accord* Kan. A.G. Op. 92-136; Kan. A.G. Op. 90-64; *City of Prairie Village v. Morrison*, 264 P.3d 1058 (Table), 2011 WL 6310196, *4 (Kan. App. 2011). The above recital must be verified upon oath or affirmation before a notarial officer in the manner prescribed by the revised uniform law on notarial acts. K.S.A. 25-3602(b)(4). Under K.S.A. 53-5a02(o), “verification on oath or affirmation” means “a declaration, made by an individual on oath or affirmation before a notarial officer, that a statement in a record is true.” The notary blocks on the Petitions do not make this statement, they just state that they are “executed the same for the purposes therein stated.” Additionally, a couple of the notary blocks say “State of Kansas, County of Johnson”, but are stamped by a Missouri notary. For these reasons, the Petitions are invalid.

26. K.S.A. 25-3608(b) relating to the definition of an eligible petition circulator provides as follows,

“(b) All petition circulators, whether residents or nonresidents of the state of Kansas, are required to agree to submit to the jurisdiction of the state, including its agencies, political subdivisions and election officials, for purposes of subpoena enforcement regarding the integrity and reliability of the petition process.”

(See also Kansas Secretary of State, Kansas Election Standards, Chapter 5, Petitions, pg. V-5).

Nowhere within the Petitions do the petition circulators agree to submit to the jurisdiction of the state, including its agencies, political subdivisions and election officials, for purposes of subpoena enforcement regarding the integrity and reliability of the petition process. For these reasons, the Petitions are invalid.

SECTION 2: The City further reserves all rights to challenge the applicability of K.S.A. 12-1301 as to the property which is purportedly subject of the Petitions and to determine that that the Petitions are invalid due to the inapplicability of K.S.A. 12-1301.

SECTION 3: The Mayor, City Administrator, and the City Attorney are hereby authorized to institute and defend such legal proceedings as they determine are necessary or appropriate to assert

and protect the City's legal positions in regard to the petitions filed with the City on December 12, 2023, and in accordance with the findings within this Resolution.

SECTION 4: This Resolution shall be in full force and effect from and after its adoption.

ADOPTED by the Governing Body of the City of Westwood, Kansas, this 17th day of January, 2024.

Re: Submission of petition to the City of Westwood re: Joe D. Dennis Park

Dear Ryan:

Our office is in receipt of your cover letter and copies of a signed petition via email and by hand delivery, on January 10, 2024. (See attached letter.) This office has not, as of this date, received a request from the petitioners for a review of the petition's form of the question.

The copy of the petition form you submitted consists of several documents with signatures, and includes some typewritten pages labeled as courtesy reference guides and courtesy transcriptions. The text that follows the title of the document "invokes" the provisions of K.S.A. 12-1301 and "register (sic) protest", under the same statute, against the City's proposed action for the described property, which is called Joe D. Dennis Park. In the final paragraph before the signature lines, the petition states that petitioners "...join this petition with the intent to meet the threshold number of qualified electors necessary to require the governing body to place on the ballot the question as to whether the Joe D. Dennis Park shall be sold, traded, or exchanged."

Your letter states that it is unclear whether the failure of petitioners to submit the petition to the county counselor for a review of the form of the petition question invalidates the petition. As you know, K.S.A. 25-3601, et seq. requires that a copy of certain petitions be submitted to the county counselor for an opinion as to the legality of the form of the question, and our review is limited to that issue.

Since the City has submitted the petition for review, we will respond with our opinion on the form of the question. We do not make a determination on whether the petitioners' failure to submit will invalidate the petition.

This review and opinion are limited to the legality of the form of the question. In our review, we have considered certain legal authority, including K.S.A. 25-3601, et seq., K.S.A. 25-620, K.S.A. 12-1301, et seq., and K.S.A. 10-120, et seq.

It is our opinion this petition does not state a question in a form that complies with Kansas law. First, the language of the document does not contain a question. There is a statement that the petitioners want to require the City's governing body "...to place on the ballot the question as to whether the Joe D. Dennis Park shall be sold, traded, or exchanged." K.S.A. 25-3602(b) requires "...unless otherwise specifically required..." the petition must "...State the question which the petitioners seek to bring to an election in the form of a question as it should appear upon the ballot in accordance with the requirements of K.S.A. 25-620 and 25-3601...." This statement of intention does not meet this mandatory Kansas requirement. K.S.A. 25-3602(b). See also Kan. A.G. Op. 99-59. In another opinion, the Kansas Attorney General states, "(W)e have consistently interpreted the provisions of K.S.A. 25-3602 as mandatory and, therefore, those provisions cannot be disregarded at will. See also Attorney General Opinions No. 92-103, 85-160, 86-19, 86-51, 91-94, 90-71, 90-64. The petition must clearly state the question which petitioners seek to bring to an election." Kan. A.G. Op. 94-119. "Opinions of the Attorney General have consistently stated that the requirements set forth in K.S.A. 25-3602 are mandatory...and that the question petitioners seek to bring to an election must be set forth in the form of a question." Kan. A.G. Op. 94-118. We are aware that K.S.A. 25-3601(c) would permit a challenge to an ordinance or resolution adopted by the governing body if the petitioners had followed the requirements of that section but it does not appear that the petitioners did. Petitioner signers should know what ballot language they are supporting if they choose to sign.

Per State law, the City is to determine the legal requirements for a valid petition, including the petition form, signature and verification requirements, timing and filing requirements, or whether the petitioners' failure to submit the petition to this office for review invalidates the petition.

Very truly yours,
